# LEAGUE MANAGERS HOLD AN IMPORTANT SCHEDULE MEET

Date Selected for First! Half of Season 1914 Extending to July 12; Baum Like Republican In Texas Legislature

Which is as near as letters can come to indicating a huge sigh of relief. The schedule is made for the

At a meeting of the league last evening, the line-up of games for the first half of the playing season of 1914 was arranged to the satisfaction of everybody. But not without difficulty. Senator Frank Baum stood out for what he believed to be a more equitable division of the games from well as the business calendar of the Bank and The Gem City Market. a financial standpoint, and the other three managers declared for a division surely being made up with reference favoring the towns, rather than the to March 31st. That is an occasion split things evenly.

thus far, remains nothing but the prospect of building up the teams. Players are flocking in from all sides H. H. Elling, Spaulding's Los Angeles representative who was with the leain its earlier stages has been spreading reports about it, until the Brown last night designated
